I, the Undersigned, hereby jointly and severally affirm that I have read the Parent-Student Handbook and discussed its policies with my student(s). I certify that I consent to and will submit to all governing policies of the school, including all applicable policies in the Handbook. I understand that the standards of the school do not tolerate profanity, obscenity in work or in action, dishonor to the Catholic Faith and its teachings, disrespect to the personnel of the school or disobedience to the established policies of the school.

As a parent of my student(s), I ask **Our Lady Help of Christians Academy** to help me provide my child(ren) with a traditional Catholic education which I acknowledge requires an active witness, by my daily teaching and living, to the traditional Catholic Faith as reiterated by the Society of Saint Pius X. I understand and agree that my child(ren) will be taught the teachings of the Catholic Church in their fullness. I understand that Man and Woman are created by God in His Image and Likeness. I understand that to reject one's biological gender is to reject the work of the Creator.

In order to preserve the integrity of **Our Lady Help of Christians Academy**, I understand I must agree with the traditional Catholic teachings regarding Life, Marriage, Gender and Sexuality. I pledge my full cooperation with **Our Lady Help of Christians Academy** to prepare my child(ren) to follow and imitate Jesus Christ. I will make every effort to supervise my child(ren)'s commitment to this agreement.

I understand that the services of **Our Lady Help of Christians Academy** are engaged by mutual consent to comply with the instruction provided by the school, and that either the **Our Lady Help of Christians Academy** or I reserve the right to terminate any or all services at any time. I understand that this Handbook does not contractually bind **Our Lady Help of Christians Academy** and is subject to change with or without notice by decision of the Principal and at his sole discretion. Admission to the school is a privilege and not a right, and admission for one school year does not guarantee automatic admission for future school years.
